PROFESSIONAL SUMMARY

DevOps Engineer with production experience in cloud infrastructure, Kubernetes orchestration, and CI/CD pipeline automation. Proficient in Microsoft Azure (AKS), Terraform, Helm, and Docker, specialising in migrating on-premise workloads to managed cloud environments. Skilled in Infrastructure as Code (IaC), deployment management, and Kubernetes operations.

SKILLS

- **Cloud DevOps:** Microsoft Azure (AKS), Kubernetes, Docker, Terraform, Helm, CI/CD, Infrastructure as Code (IaC)
- **Programming Languages:** C++, Python, Java, SQL, HTML, CSS, JavaScript
- **Fundamentals:** Data Structures and Algorithms, DBMS, Object-Oriented Programming, Operating Systems, Linux, REST APIs
- **Frameworks Libraries:** React, Spring Boot, FastAPI, Bootstrap, Tailwind CSS, Zustand, PydanticAI
- **Tools:** Git, GitHub, GitLab, MySQL, Confluence, Ollama

EXPERIENCE

- **Wipro Limited (Client: UBS) | DevOps Engineer** Oct 2024 – Present
 - **AKS Migration:** Migrated 10+ applications from on-premise and dedicated Kubernetes clusters to Managed Azure Kubernetes Service (AKS), improving scalability and cutting infrastructure overhead by 15%.
 - **Deployment Management:** Accelerated application deployment cycles by 20% using UBS Deploy and Kubernetes Deployer (GitLab-based), achieving stable and zero-downtime releases across all production environments.
 - **Infrastructure as Code:** Automated cloud infrastructure provisioning using Terraform and IaC practices across 5+ clusters, reducing manual configuration errors and operational effort by 30%.
 - **Kubernetes Operations:** Managed 5+ Kubernetes clusters including Helm charts, namespaces, pod scaling, and resource configurations, maintaining high availability and performance across workloads.
- **Wipro Limited | Engineer Trainee** Jul 2024 – Sep 2024
 - **Training:** Completed intensive technical training covering DevOps tools, cloud fundamentals, Java, Spring Boot, and enterprise practices, building a strong foundation for the subsequent client deployment role.
- **ThinkSaga  | Software Engineer** Apr 2024 – Jun 2024
 - **Frontend Development:** Built a fully responsive and production-ready frontend for recruitkart.com using React and Tailwind CSS, enhancing visual appeal and usability.
 - **Performance Optimization:** Resolved cross-browser compatibility issues and optimized performance across devices, resulting in a smoother and consistent user experience.

PROJECTS

- **Agentic AI Trip Planner** 2026
 - **AI-Powered Planning:** Developed an agentic AI travel planning platform using Python, FastAPI, PydanticAI, React, and Ollama, enabling intelligent itinerary generation and collaborative trip planning.
 - **Dynamic Replanning:** Built real-time shared-state synchronization using Zustand to automatically adapt itineraries based on changing user preferences such as budget, duration, and interests.
 - **Structured AI Workflows:** Designed schema-constrained AI workflows with Pydantic models to generate reliable, structured travel itineraries and activity recommendations.
- **Student Study Portal ** 2023
 - **Backend:** Built a multi-user collaborative learning portal using Python and Django, implementing secure authentication and personalized dashboards for 10+ concurrent users.
 - **Frontend:** Designed a fully responsive UI using HTML, CSS, and Bootstrap, ensuring cross-device compatibility across mobile, tablet, and desktop.

EDUCATION

- **National Institute Of Technology, Warangal** Warangal, India
 - *Bachelor of Technology in Chemical Engineering; GPA: 7.38* 2019-2023

CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals (AZ-900)
- Azure Kubernetes Services with Azure DevOps and Terraform (Udemy) 
- C++ Programming – Beginner to Advance (Udemy) 
- Mastering Data Structures & Algorithms using C and C++ (Udemy) 

HONORS AND AWARDS

- **Victory League Award – Wipro (2025):** Awarded for consistent contributions toward successful and timely delivery of applications, ensuring quality, reliability, and smooth execution.
- **Certificate of Appreciation – Counsellit:** Recognized for exemplary volunteer service and meaningful contributions toward organizational initiatives.
- **Executive Member – IICChE, NIT Warangal (2020–21):** Orchestrated workshops and competitions, managing the Chem-Star event by coordinating multiple teams and external vendors to ensure seamless operations.
